Whisper Portable Table Lamp

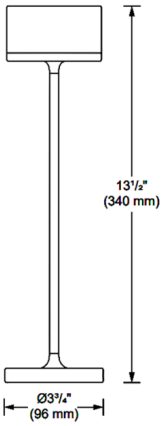

By iGuzzini

Description

The Whisper is a lightweight, but solid portable table lamp developed around eco-design principles with recycled and recyclable materials that are easy to disassemble. Cordless and rechargeable, Whisper can be easily moved indoors and outdoors.With just a simple touch, the Whisper turns on/off, dims, and selects the desired color temperature (2200K-2700K-3000K). Includes a charging base, cable with USB port, and integrated 3.7V 4400 mA rechargeable lithium battery. 9 hour autonomy with 100 percent light flow. 6 hour total recharge time.

Shown in white
