Tanzanite Wall Sconce

By Corbett Lighting

Description

A distinctive geometric wall sculpture, the Tanzanite Wall Sconce features a folded motif of translucent alabaster. The Vintage Brass frame brings out the warm tonal variations found in the alabaster while adding a metallic contrast to the natural stone. Whether the sconce is illuminated or not, the juxtaposition of materiality makes a poetic statement. Dimmable via Triac or electronic low voltage (ELV) dimming.

Shown in vintage brass / alabaster

Specifications
