Gypsum Wall Sconce By Corbett Lighting

Description

Letting the beauty of the alabaster shine, the distinctive Gypsum Wall Sconce emits a warm, milky glow. The natural stone panels have been thoughtfully cut to accommodate smaller spaces, making them an ideal choice for hallways and bathrooms. Concealed within the fixture is an energy-efficient LED, ensuring hours of luminous and efficient lighting. Can be mounted vertically or horizontally. Dimmable via Triac or electronic low voltage (ELV) dimming.

Shown in vintage brass / white
