Deco Corcovado Open Pendant By Ferroluce

Description

The Corcovado Open Pendant is named after the Brazilian mountain that is home to Rio de Janeiro's famed Cristo Redentor statue. The mountain takes its name from the Portuguese word for hunchback due to its prominent granite peak, and the pendant's silhouette echoes this iconic shape. The bottom of the pendant is open to direct light downward, making it perfectly suited above a kitchen counter or dining table.

Shown in poke orange / mocha
