Blossom Moda Linear Chandelier By Hammerton Studio

Description

The Blossom Moda Linear Chandelier features blossoms of LED lit hand blown glass that are meticulously crafted by Hammerton artisans. The fixture is a whimsical celebration of organic aesthetic that exudes casual sophistication. Each shade takes the place of a traditional bulb and unfolds with striking illumination. The finished look is relaxed, soft and unique. Each glass shade is a one-of-a-kind artisan creation. Note: Due to the weight of the largest fixture, additional ceiling support is required.
