Facet Dual Mount Smart Ceiling Fan with Light

By Hinkley Lighting

Description

The Facet Dual Mount Smart Ceiling Fan with Light presents a modest yet unforgettable look with its unique faceted body and sleek finishes. It delivers energy-efficient LED lighting and powerful airflow with its DC motor, creating a comfortable environment in indoor or covered outdoor settings. This fan can be mounted as a flush mount fan, or as a downrod fan using the included downrod mount kit. A convenient wireless HIRO control is included. It incorporates WiFi and RF technology, and enables motor on/off, 6 speeds, forward and reverse, and light on/off with warm dimming from 3000K to warmer. It can be wall-mounted or hand-held. A face plate and cradles are included, and the remote fits in standard decorative style face plates as well. A manual on/off switch is also included. The fan can also be controlled through your smart device using the Hinkley app. In addition to the basic functions, the app has timers, breeze mode and other advanced features, and links the fan to smart home systems including Google, Amazon Alexa, and Siri. A cap for no-light use is included, and other optional accessories are sold separately. Note: The 60 inch fan is not available in Heritage Brass.
