Passaic Wall Sconce

By Hudson Valley Lighting

Description

A delicate and slender hand-blown piece of Piastra glass is mounted on an Aged Brass stem, creating the focal point of the botanical-inspired Passaic Wall Sconce. Resembling a leaf, the glass has been crafted with grooves that replicate the natural texture and variation of leaves. Concealing an LED, this sconce gently diffuses light over small areas. Dimmable via Traic dimming.

Shown in aged brass / clear
