## Westport Pendant By Hudson Valley Lighting

### Description

Daring to improve on an iconic Italian mid-century modern design, we bring together three layers, each remarkable in their own right, to make the Westport Pendant. The top layer is the trio of skinny torch holders, bearing tubular incandescent bulbs on exaggerated socket holders. The back layer is a stepped starburst backplate, stretching out in a retro flare. Westport's middle layer is a softened-edge diamond pane of concave glass, adding mystery and allure while tracing a shape that informs the whole.

Shown in aged brass / black / opal
