## Philmont Wall Sconce By Hudson Valley Lighting

### Description

Diffusing soft light through its translucent, ice-like Piastra glass surface, the Philmont Wall Sconce is captivating in its simplicity. As the glass harmonizes with the Aged Brass backplate, it creates a multi-layered exchange between materiality, texture, and the reflective quality of the fixture. The white glass enhances the gentle illumination provided by the energy-efficient LED lighting, creating a serene glow. Dimmable via Triac or electronic low voltage (ELV) dimming.

Shown in aged brass / clear
