DESCRIPTION

The Saga Pendant is a Linear LED Pendant light that is made of low-waste aluminum and recycled LDPE fluted diffusers. The Saga Pendant comes in three configurations: Solo (48 inches), Duo (60.25 inches), and Trio (91.4 inches). The Solo configuration has a single module, the Duo configuration has two modules, and the Trio configuration has three modules. It features dim-to-warm technology (1800-3000K), which allows you to adjust the light temperature to create the perfect ambiance for any task or setting. Note: Stems are cut on-site by the installer, a pipe cutter is provided with the fixture.
