Phantom Ceiling Fan with Light - Overstock By Kendal

Description

Elevate your space with the bold sophistication of the Phantom Ceiling Fan with Light, which boasts a modern design that complements any setting. Its five warp-resistant ABS blades are driven by a silent DC motor expertly housed within the canopy. Maximizing functionality, this fan is also built with an LED light kit that saves energy while illuminating your space. The included hand-held remote control enables motor on/off, 6 speeds, forward/reverse, and light on/off with dimming. A light cap is included for no-light use. NOTE: This is a discontinued model and limited to quantity on hand.
