DESCRIPTION

The exceptional Triton Ceiling Fan with Light not only ensures optimal air circulation but also adds a stylish touch to your space, delivering both comfort and elegance. With its tri-blade design, it guarantees powerful airflow, and an integrated LED light kit provides ambient illumination to create a comfortable environment. A battery-operated wall control is included and enables motor on/off, 3 speeds, light on/off and dimming. Reverse can be set using a switch on the fan. Note: Some finishes are not available in all sizes.
