Eden Wall Sconce By Maxim Lighting

Description

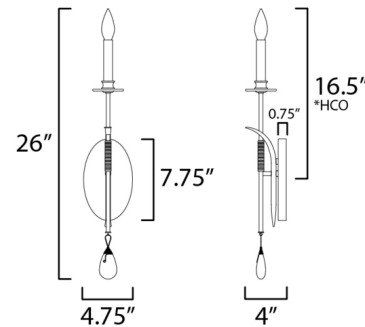

Eliciting a vision of natural beauty, the Eden Wall Sconce is abundant with hand-crafted details from fabrication to finish. The sconce features hand-wound wiring that gathers a graceful swooping arm that extends outward and branch upward in biophilic form. This coiling detail also suspends a crystal adornment from the frame. Finished in an antiqued Charcoal Gold Leaf, the collection infuses rustic charm and refined simplicity.
