Normandy Wall Light By Maxim Lighting

Description

Gallant in hand-applied Gold Leaf, the Normandy Wall Light is a look befitting a chateau of the Middle Ages. Both traditional and handsome, the exposed candelabra is gilt in a matching Gold Leaf sleeve as it perches at the end of decorative bobeches. The sharply-angled curved arm anchor to polygonal elements adding a tailored elegance to the chandelier's design. Thoughtful in its composition, the collection provides an authentic interpretation to a classical concept.
