## Daisy Ceiling Fan with Light By Maxim Lighting

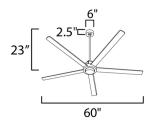

## Description

The Daisy Ceiling Fan with Light enhances any interior space with its stylish two-tone finish and clean lines. Enjoy a comfortable environment as its five blades deliver refreshing airflow and the integrated LED provides energy-efficient ambient lighting. The included dual slider wall control can be used to adjust fan speed and light dimming. A light kit cover is also included. Optional accessories are sold separately.

Shown in white / natural aged brass / white
