Quarry Wall Sconce / Ceiling Light By Maxim Lighting

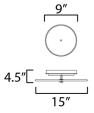

Description

Modern in execution, yet representative of the classic inverted bowl pendants, the Quarry Wall/Flush Mount Ceiling Light features natural Spanish alabaster in an iron frame finished in Darkened Bronze. An inverted bowl form is created using the alabaster's straight line and the empty space below it. Slim housings of LED direct light both up at the alabaster to highlight the stone's character and another direct light downward for functional use below. Can be mounted as a ceiling light or wall sconce. Dimmable via Triac dimming.

Shown in dark bronze / alabaster
