Eden Chandelier

By Maxim Lighting

Description

Eliciting a vision of natural beauty, the Eden Chandelier is abundant with hand-crafted details from fabrication to finish. Bunched at the center of the chandelier, a collector features hand-wound wiring that groups a set of gracefully swooping arms that extend outward and branch upward in biophilic form. This coiling detail also suspends crystal adornments from the chandelier frame. Finished in an antiqued Charcoal Gold Leaf, the collection infuses rustic charm and refined simplicity.
