## Jiro Swivel Stool By Resident Lighting

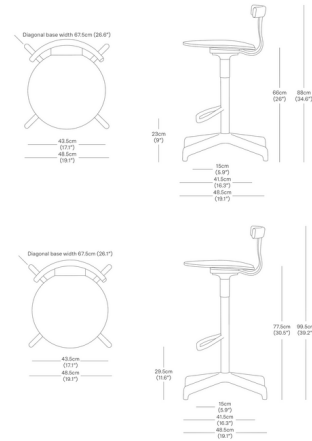

### Description

The Jiro Swivel Stool is an elegant yet simplistic addition to a modern dining room or public space. This balanced piece combines a formed oak veneer seat and back with slim with an aluminum swivel base for a lightweight, open aesthetic. The base's 360-degree return swivel function ensures the seat returns to a forward facing position, making it perfect for bar seating in hospitality environments.

Shown in black / black oak
