Fremont Wall Sconce

By Savoy House

Description

Slim and stylish! The Fremont Wall Sconce packs a whole lot of textural interest into one slender silhouette. The round wall plate and light arm have double ring detailing and a warm finish. The long tail of that arm is made of clear glass with a double ring above the glass ball finial. The cylindrical shade is a lovely soft white fabric. Altogether, it's an elegant fixture that is a pleasure to have in your home.
