DESCRIPTION

The Versa Beam 12V Accent Light is designed for outdoor directional lighting, up lighting, or down lighting if used with standard mount. Versa Beam shares the same light engine and comes fully assembled and ready to use out of the box. The Versa Beam directional accent light option includes a knuckle, angled shield with thumbscrew, cap, light engine with interchangeable 15, 30 and 60 degree optics (30 degree optic pre-installed), honeycomb louver, 12 foot lead, and ground stake. The Versa Beam uplight option includes a cap, light engine with interchangeable 15, 30 and 60 degree optics, honeycomb louver, 12 foot lead, and ground stake. Note: Dimmable with most low voltage magnetic transformers, required and sold separately.

Shown in: Black Brass
