Versa Beam Outdoor 12V Accent / Pendant Light

By Brilliance

Description

The Versa Beam 12V Pendant / Accent Light is designed for outdoor down lighting, accent, and ornamental lighting. Versa Beam shares the same light engine and comes fully assembled and ready to use out of the box. The Versa Beam acrylic bubble rod options include a light engine, hanging loop, and mounting stake. The Versa Beam perforated shield option includes a perforated metal shield, light engine, and hanging loop (cable/canopy not included). Note: Dimmable with most low voltage magnetic transformers, required and sold separately.
