Art Decortif Vase Set of 2

By Currey & Company

Description

The Art Decortif White Vase Set of 2 was realized in the tradition of Venetian glass techniques. Two layers of glass, one white and one clear with a matte surface, are hand-cut so that portions of the white glass are removed to create the geometric pattern that is reminiscent of the era for which the vases are named. This is a complex process that makes these true artisanal pieces.

Shown in opaque white

Specifications

COLOR	Opaque White
BODY FINISH	N/A
