Rayures Tea Canister Set of 2

By Currey and Company

Description

The hand-painted black and white stripes that flow down the Rayures Tea Canister Set of 2 make them classic accessories. The antique brass rings painted at the bottom of the jars and at the bottom of the caps bring an uptick in luxury to their profiles. Though the mid-century modern era is echoed in the design of these stylish vessels, tea canisters have existed since antiquity.
