## Luganzo Vase

By Currey and Company

### Description

The Luganzo Vase has the undulant character of turned wood, but the sculpture is made of bronze with a jade green patina. A polished gold ring defines the culmination of its neck for a hint of sheen. The incredible distressing the artisans achieved with this vase after it has emerged during a lost-wax technique makes it a stunning textural piece that will read like an antique totemic accessory.

Shown in jade green

### Specifications

COLOR	Jade Green
BODY FINISH	N/A
