Rocky The Teckel Sculpture

By Currey and Company

Description

Whimsical in terracotta, Rocky the Teckel is a sculpture by the emerging Thai artist Nhut Nhathawut. With an expression that is so lifelike that it feels he may bark at any moment, there are a number of artisanal aspects to the canine sculpture. This includes the obvious strokes of the artist's tools that play along the surface of the dog's body.

Shown in terracotta

Specifications

COLOR	Terracotta
