Aster Chest

By Currey & Company

Description

Made of mahogany and oak in a mix of off-white and fog finishes, the Aster Three-Drawer Chest was inspired by an antique from the Winterthur Museum. The gray and white chest has three drawers on which the polished brass pulls are warm accents. Part of the Winterthur Collection, the chest has turned legs that are capped by ferrules to match the finish on the pulls. Each drawer is fitted with removable drawer liners.
