## Avignon Swing Arm Wall Light By Currey & Company

### Description

The Avignon Wall Sconce was created by Suzanne Duin, and is known for a keen eye in sourcing authentic French antiques and home accessories from around the globe. Each piece in her line of woven light fixtures is handmade by artisans in Southeast Asia; the Avignon an example with black paper shades in a tight weave and steel in a polished brass finish. This chic wall sconce is suspended from adjustable gold rods with a matching circllet at the narrowest point on the shade, bringing both texture and French flair. On/off switch on backplate.
