Charny Wall Light

By Currey & Company

Description

The playful profile of the Charny Wall Light makes this a charming addition to a room. The contemporary white wall sconce is made of composite with a Gesso White finish. The leaf-like shapes that extend from the stem of the Charny make this a terrific luminary for a space inspired by nature. The white sconce is topped with a textural natural shade in a coarse linen.

Shown in gesso white / natural linen
