## Capsule Wall Light

By Currey and Company

### Description

The Capsule Wall Light is a clever design by Clarence Mallari that can be hung with the solid optic crystal shades facing vertically or horizontally. The sconce is also technologically savvy, as it is fitted with an integrated LED. The brushed-brass metal will gleam just as brightly as the lightly frosted glass will when the lights are switched on.

Shown in brushed brass / clear

### Specifications

COLOR . . . . . Clear  
BODY FINISH . . . . . Brushed Brass  
WATTAGE . . . . . 12W
