Dandelion Wall Light

By Currey and Company

Description

The Dandelion Wall Light is a masterful composition that celebrates its namesake flower. The puff-ball that surrounds the bulb is made of nails that are bent and welded together, a process that is extremely labor-intensive. Made of wrought iron, the sconce's wallplate, stem, and leaves are finishes in a contemporary gold leaf, while the floral elements are a mix of contemporary silver leaf and contemporary silver finishes.

Shown in contemporary gold & silver leaf
