Rosabel Wall Light By Currey and Company

Description

The Rosabel Wall Light is a bouquet of delight designed by Tom Caldwell. By placing the blooms along the undulant stem and designing the leaves to float downward, he created a whimsical gold wall sconce that is nature-inspired but seriously sophisticated. The roses and leaves are fashioned from brass in an antique brass finish. The off-white shantung shade was designed to be narrow so this fixture is ADA compliant.

Shown in antique brass / off white

Specifications
