# Braille Table Lamp

By Currey & Company

## Description

When rustic patina is desired, the Braille Table Lamp will deliver! Made of aluminum, the vase-shaped body has drifts of light and dark tones from the hand-applied antique brass finish that gathers in crevices and is wiped away from the hammered dimples that run along its surface. The raised rings on the neck of the lamp are a refined detail on the body that rises to meet the natural linen shade. 3-way turn knob.

Shown in antique brass / natural linen
