Kolonos Table Lamp

By Currey and Company

Description

The Kolonos Table Lamp's double-gourd-shaped body is made of ceramic in a mix of white and green glazes. Made by a group of women who live at the border of Burma and Thailand, this complex design has scalloping details that are manipulated by hand to form the raised decorations before the ceramic is beautifully glazed. The nature-inspired design is topped with an off-white linen shade. 3-way turn knob.
