Glossary Floor Lamp

By Currey & Company

Description

The oblong open-form body of the Glossary Floor Lamp is made of metal in a contemporary gold leaf finish. Clarence Mallari designed the gold floor lamp to look like a giant paper clip that rises above a black marble base. This contemporary design will be a perfect choice for a space needing stylish yet unobtrusive elements. The Glossary is topped with an off-white linen shade. 3-way turn knob.

Shown in black / gold leaf / off white
