Rovigo Chandelier By Currey and Company

Description

The Rovigo Chandelier has a flowing design created by the wrought iron frame to which discs of recycled glass are attached. The silver leaf finish and the textural mottled glass gleam when the lights are switched on. The silver chandelier has a contemporary feel thanks to the uniform shapes and clean edges of the discs that graduate from larger to smaller as they flow toward the bottom of the fixture.

Shown in silver leaf / clear
