Nottaway Linear Chandelier

By Currey and Company

Description

Design notes on the Nottaway Linear Chandelier include long arms that stretch gracefully from a small cog and a ring that ornaments its bottommost point. The profile of the fixture has a lovely fluidity to it, and the Pyrite bronze finish adds textural interest to the bronze chandelier. The fact that the chandelier is hung from a rod rather than a chain modernizes this design, though it is still decidedly in the traditional design vernacular. Its shape makes it perfect for above kitchen islands and bars.
