Nottaway Tiered Chandelier

By Currey and Company

Description

Design notes on the Nottaway Tiered Chandelier include long arms that stretch gracefully from small cogs and a ring that ornaments its bottom-most point. The profile of the fixture has a lovely fluidity to it, and the Pyrite bronze finish adds textural interest to the bronze chandelier. This statuesque chandelier is decidedly in the traditional design category, but its airiness allows it to function in a range of large rooms.

Specifications
