Crystal Bud Grande Ring Chandelier By Currey and Company

Description

The Crystal Bud Grande Ring Chandelier has delicate faceted crystals unfurling from vines that flow around the fixture. The gleaming metal in a brass finish serves as a warm contrast to the luminous crystals; the interplay making the profile of this fixture complex and interesting. This stunning crystal chandelier's lights alternate pointing up and down to increase the sparkle and the luxurious aura. Note: Requires additional support.

Shown in brass / crystal
