Plunge Chandelier By Currey & Company

Description

The thick wood slats that make up the shade of the Plunge Chandelier bring the brown pendant a mid-century modern vibe with a hint of brutalist style. Fastened to wrought iron rings in a brass finish, the slanting wood is finished in toffee, the combination creating great warmth. The varying placement of the angled wood pieces is a design detail of note, as is the fact that it is hung from aircraft cable. Integrated LED technology illuminates this fixture.
