## Delphos Chandelier

By Currey and Company

### Description

The teardrop-shaped Delphos Chandelier is inspired by birds and feathers; the fixture flows gracefully and evokes the elegance of a peacock's tail. Beautifully crafted from wrought iron in a contemporary gold finish, the nature-inspired piece is ornamented with double-sided, highly polished New Zealand Paua Shells. This is a painstaking piece to realize, as the rods are bent by hand into the undulant composition and the luminous shells are hand-placed. The turquoise and gold chandelier will bring lively color to an interior thanks to the variations in the iridescent hues within each of the ornamenting shells.

Shown in contemporary gold leaf / turquoise
