Overlay Chandelier

By Currey & Company

Description

The Overlay Chandelier is a artisanal creation that is painstakingly made by hand, as each of the leaves are individually cut and welded to the frame and the dots on the edges of the spiky cut-outs are welded on. The elongated-dome shape of the white pendant has a sartorial feel thanks to the textural richness of the fluted edges flowing downward like a couture wedding dress might.

Shown in white

Specifications

COLOR	N/A
