## Pendulum Pendant

By Currey and Company

### Description

A design detail of note on the bell-shaped Pendulum Pendant are the varying sizes and shapes of the wood beads and how they are strung in tandem. Elongated round shapes are interspersed with rhombus-shaped beads to make this an artful creation. The Coco Cream finish on the metal is perfectly in sync with the natural hues in the wood on this bohemian-inspired piece.

Shown in coco cream / natural

### Specifications
