Archetype Chandelier

(II)

By Currey and Company

Description

The Archetype Chandelier has a beautifully arcing form. The design details that make it special include the staggered curving lines of the thin pieces of metal at the bottom and the graduating placement of the straight ends as they attach to the stem. The Statuary Bronze finish is also a sophisticated design detail, as is the fact that the bobeches are finished in brass. The off-white linen shades sit directly on the bobeches and create a lovely glow.

Shown in brass / bronze
