Charny Chandelier

By Currey & Company

Description

The playful profile of the Charny Chandelier makes this a charming addition to a room. The white chandelier is made of composite with a White Gesso finish. The leaf-like shapes that extend from the stems of the Charny make this a terrific luminary for a space inspired by nature. The textural natural shades made of coarse linen add a dash of warmth to the design.

Shown in gesso white / natural linen
