Barcarolle Linear Chandelier

By Currey & Company

Description

A playful arrangement of globes that meander around a central bar as beautifully as a string of pearls, the Barcarolle Linear Chandelier has tremendous personality. The plated metal in a brushed brass finish is a warm element of this design, while the white globes that softly glow are pale contrasts. The feeling of movement that this fixture creates will make it a conversation starter in any space.

Shown in brushed brass / white
