Parish Multi Light Linear Pendant

By Currey & Company

Description

The Parish Multi Light Linear Pendant has slender tear-drop-shaped shades made of white glass poured into a metal cage in an antique brass finish when it was still molten. A remarkable result of this process is that it creates tiny pinholes of light that escape through micro-bubbles that formed in the glass, making the Parish effervesce like an upside-down goblet of champagne.

Shown in antique brass / white

Specifications
