## Bryce Ceiling Light By Currey and Company

## Description

The Bryce Ceiling Light is a modern fixture that is just as at home in any hall as it is in a bathroom. This simple round form is embellished with a motif that hearkens to industrial gears. The classically inspired finial capped off with a ball adds a sophisticated focal point. The glass diffuser in frosted glass provides an even glow. The Bryce is fitted with integrated LED technology.

Shown in gold / frosted
