Bryce Color-Select Ceiling Light

By Currey & Company

Description

The Bryce Ceiling Light is a modern fixture that is just as at home in any hall as it is in a bathroom. This simple round form is embellished with a motif that harkens to industrial gears. The classically inspired finial capped off with a ball adds a sophisticated focal point. The glass diffuser in frosted glass provides an even glow. The Bryce is fitted with integrated LED technology. Features color-select technology which allows user to select between 2700K, 3000K and 4000K color temperature options.

Shown in oil rubbed bronze / frosted
