## Spring Ceiling Light

By Diesel Living

### Description

The Spring Ceiling Light offers a refined, modern interpretation of classic swing-arm task lamps. The sleek linear arm is suspended from the canopy by an open ring, giving the fixture an open, airy aesthetic and adding a subtle geometric accent. The arm can be rotated side-to-side 335 degrees, and the dome-shaped shade rotates 360 degrees to direct light in any direction.

Shown in black / white
