Pulse Table Lamp By Hubbardton Forge

Description

The Pulse Table Lamp is inspired by a classic bankers lamp. This innovative piece uses conductive steel plates to create pathways for electrons to pulse from one end to the other of the inner frosted tube. Dimmer knob is located on the lamp base. Lifetime Limited Warranty when installed in residential setting. Handmade to order by skilled artisans in Vermont, USA. Note: Dimmable via Triac, Low Voltage Electric, and 0-10V dimming.

Shown in oil rubbed bronze / clear
